Dear Sherman Oaks Little League Supporter,

Many childhood memories begin with the crack of a bat. Many life-long friendships start in the outfield. Sherman Oaks Little League is a place where families come together to share the value of sportsmanship, self-confidence, leadership and a strong sense of community. To maintain and modernize our facilities, we need the help of our community leaders. Please be a part of that circle of helping hands.

We hope that you will consider sponsoring a team, displaying a sign on our field for an annual fee or contributing to our sponsorship fund. We would also appreciate any merchandise that we can use for our silent auction and for prizes awarded during our annual hit-a-thon fundraiser.

Your tax-deductible contribution will be noted in our weekly newsletter and our yearbook. We thank you for being supportive of our young baseball players.
