We strive to make the kids sport experience the best it can be. Part of that is insuring that the facilities and equipment we use are able to meet that standard. Because of the generous support of our sponsors we have been able to make major investments in the facilities and equipment, which serves over 4,000 kids per year in our basketball, cheerleading, baseball, softball, football, and field hockey programs, in addition to the community and scholastic use. **Every dollar raised through our sponsorship program is invested in our facilities and equipment!**

Where does the money go? The UDJAA has been a partner or fully sponsored numerous projects over the years. Some projects include refinishing the gym floor at Sandy Run, new backstops at Upper Dublin HS, Sandy Run, and others throughout Upper Dublin, home run fences, Spark Field and building, enlargement of the Maple Glen gym to a full size gym, scoreboards at Fort Washington and Thomas Fitzwater, and enhancement to the scoreboard in the UDHS Auxiliary gym. This is just to name a few. Visit the UDJAA web site to see these and other projects. Our facilities in all of our UDJAA sports are a partnership between our School District, Upper Dublin Township and the UDJAA!

IN THESE TOUGH ECONOMIC TIMES WE NEED YOUR HELP so we can continue to do our part in providing great facilities for this community, and to make sure that our equipment is safe and up to date. Please ask your company to get involved and sponsor! It also a great way to advertise your business in the community and is 100% tax-deductible! Our website www.udjaa.com had over 100,000 hits last year and each sponsor's name is prominently listed!

Sponsorship options are listed on page 2 of this form. If you have any questions, please e-mail us at info@UDJAA.com. Thanks again for your continued support!
