Re: Virginia Beach Little League Sponsorship

October 1, 2008

To Whom it May Concern:

Virginia Beach Little League is the Largest Little League in District 8 with over 1000 children on 74 plus teams, providing Baseball and Softball programs for boys and girls ages 5 through 18. Our main goal is to provide the safest program for our children to learn the fundamentals of baseball and softball, participate in a team sport, and have a whole lot of fun! Following the guidelines set by Little League, Inc., playing a team sport can teach a child discipline, character, loyalty, commitment, and courage.

We also offer a program called Challenger division, designed for disabled youth ages 5 through 18 with mental or physical limitations that would prevent them from participation in regular Baseball or Softball programs. The Challenger division allows a Child to play regardless of the degree of disability who otherwise would not have the opportunity due to their mental or physical limitations. Children that need assistance or are confined to a wheelchair are assisted by buddies who help them with hitting the ball pitched by the Coach or on a Tee, catching, throwing, and running

In order to provide these programs for the children in the community we are approaching various local businesses and requesting donations of funds. A business can participate in any of the various sponsorship levels listed on the sponsorship contract. For a sponsorship donation of \$350.00 or more, the sponsor's name will appear on the back of the team's jersey and they will receive a plaque with team photo.

If you should have any questions or need additional information, please contact Andy Adler, President Virginia Beach Little League, at (757) 288-1356 email [President@vbll.org](mailto:President@vbll.org).

Your kind consideration is greatly appreciated.

Sincerely,

Andrew Adler, President  
Virginia Beach Little League
