### **Millersville's Thorwart Named Zag Field Hockey/NFHCA Division II National Scholar Athlete**

**CHANDLER, Ariz.** – Millersville senior Margaret Thorwart has been honored as the Zag Field Hockey/National Field Hockey Coaches Association (NFHCA) Division II National Scholar Athlete, it was announced on Tuesday.

Thorwart claims the award given to the first or second-team All-American in Division II who maintains the highest cumulative grade-point average through the first semester of the 2016-17 academic year.

A senior from Harrisburg, Pennsylvania, Thorwart concluded an outstanding career as a Longstreth/NFHCA First-Team All-American in 2016. She tallied a team-high 20 points with seven goals and six assists while starting all 22 contests for the Marauders, who won the tournament title in the Pennsylvania State Athletic Conference (PSAC) and advanced to the semifinals of the NCAA Division II Championship.

Thorwart made both the Zag Field Hockey/NFHCA National Academic Squad and Scholars of Distinction lists in each of her four seasons at Millersville.

Thorwart becomes the third winner of the Zag Sport/NFHCA Division II National Scholar Athlete Award, following LIU Post's Dani Crouse (2014) and Adelphi's Rachel Colvin (2015).
