We are contacting potential sponsors for the 2017 Little League season. Your generous contribution will help more than 700 children have an enjoyable Little League experience.

In 2016, PCLL once again proved successful as we fielded approximately 60 teams in baseball and softball. As you can imagine, community support is vital to our organization. Please feel free to visit us and see the awards and banners we proudly display on the fields and in our boardroom.

As you can see, you can make a difference to our community. We are aware of the difficult economic times many are facing but we hope to count on your support, and offer several options detailed on the enclosed form. Requests for specific league sponsorships will be handled on a first come, first serve basis so please respond now to this letter.

***This Spring, we will continue to use the sponsor names as the team names. This will give a great deal more exposure to the participating sponsors.***

If you have any questions, please contact me at (813) 478-3148, or any board member. In the meantime, feel free to fill out the sponsorship form and send in the form and your check to reserve your spot as a sponsor of one of the largest and oldest youth organizations in Plant City.

We thank you for your support, and look forward to another winning year for PCLL!

Sincerely,

D.J. Brewington, Sponsorship Chairman Board of
