

THE PITCH

Delton Kellogg Little League January 2017

- DKLL has again partnered with the Active Network for the upcoming season to provide online registration. This will enable everyone to register at a time convenient to you. Our website www.DKLL.org is set up and ready for you to register! If you are returning from last year, use the same email you used last year for login. Your previous data should already be in place to make for a quick registration. Registration will be open until February 19th. You will need to email your child's birth certificate to teamdelton@yahoo.com, or bring it to skills.
- For those who do not have internet access, we will allow registration at our skill assessments, workstations will be set up, and we will be available to help you through the process. We strongly recommend registering before if possible, to simplify and expedite the process.
