We are holding the mandatory assessments in order to help the league form fair and balanced teams. **PLAYERS WHO DO NOT GET ASSESSED MAY NOT BE ACCEPTED INTO THE LEAGUE.**

In addition, when forming teams in the Pan – Con and Major League Divisions, the league does not consider special requests for friends to play together or based on your transportation needs. If you cannot accept this rule you can withdraw your child from the league for a full refund.

Please check the following schedule for your specific time to arrive. Do not come at any other time except the one for which you are scheduled and DO NOT COME LATE.

The player assessments and ratings session is **MANDATORY**. It enables us to rate your skill level so that we can form the teams in your division as fairly as possible. Failure to show up for your assessment makes it impossible for us to know your skill level and to make an informed decision as to where you should be placed. This could result in you not being accepted into the league.

Please adjust you schedules now. You are being given notice well in advance of the assessment day.

ASSESSMENTS DO NOT APPLY TO TEE & LOB BALL DIVISIONS
