

KING HIGH CROSS COUNTRY

Dear:

As you may or may not know, I'm a part of the King High School Cross Country team. I'm excited about the season ahead!

We are in the process of raising funds for this season, as very little money is provided by the school and District to run the program. We have a variety of ways to raise money, one of which is to send this letter to friends and family who we think might be willing to help out!

I really hope you'll consider helping me in this goal. Any amount that you can donate will help! **My goal is to raise \$125 this season.**

If you're willing and able, please enclose a check payable to "King Cross Country Booster Club" and return it to this address:

Our Booster Club is a 501c3 Non-Profit Group, so your donation is completely tax deductible.

Thank you so much for your help
