

Whittier Girls Softball League

W Sponsorship Form

PO BOX 1951 WHITTIER, CA 90609

Year _____

Dear Prospective Sponsor:

The purpose of Whittier Girls Softball League (WGSL) is to provide and perpetuate a recreational program for young girls between the ages of 5 and 14, which stresses self-responsibility, citizenship, sportsmanship and seeks to make a difference in their lives by giving them a sense of teamwork and belonging through experiencing team play. WGSL is the only girls softball league in the City of Whittier. As such, we hold a unique position in the city. Although we are an all-volunteer and non-profit organization, the cost of running such a program is extremely high and thus the need for sponsors is great. Sponsor fees are used to improve and expand fields to permit more girls to play, purchase uniforms, pay insurance fees and purchase equipment. As a potential sponsor to WGSL, we hope that you will choose to realize the importance of organized sports and the valuable impact it can have on young girls and are asking that you become a stakeholder in the future of Whittier and the youth of the city.
